Re: Notice of oral ex parte communication, Joint Application by BellSouth Corporation, BellSouth Telecommunications, Inc., and BellSouth Long Distance, Inc. for Provision of In-Region, InterLATA Services in Georgia and Louisiana, CC Docket No. 01-277

Dear Ms. Salas:

On October 30, 2001 Christopher T. Shenk and Michael Lieberman, representing AT&T Corp. ("AT&T"), participated in a conference call with Deena Shetler of the FCC's Common Carrier Bureau. The purpose of the call was to discuss Ms. Shetler's request for additional information about how the average monthly per line DUF rates contained in AT&T's Comments were computed, including assumptions regarding usage rates, the structure of BellSouth's DUF rates, and whether competitive local exchange carriers could control the number of DUF records for which they are billed. AT&T has agreed to provide the Commission with additional written information relating to these issues in a ex parte letter to be filed in early November.

Consistent with Commission rules, I am filing one electronic copy of this notice and request that you place it in the record of the proceeding.

Sincerely,

A handwritten signature in black ink, appearing to be "JM" followed by a horizontal line.
